Spa Policies

No one under the age of 16 is permitted in the spa reception area without a guardian. Children are strictly forbidden in service areas and treatment rooms. Teens under 18 must have written permission from a parent or guardian in order to receive any services.

Reservations

Spa services are available by appointment on a daily basis. We recommend calling as far in advance as possible to ensure that your preferred appointment times are available. Please arrive 15 minutes early for your appointment. If this is your first visit with us, you will be asked to fill out a brief consultation card so that your therapist can tailor your service to your particular needs. In order to assure privacy and warmth, we do have a draping policy and use disposable underclothes and towels during spa treatments. You may bring bathing attire, if preferred, in order to fully relax during your treatment; however, a few products do stain.

Cancellations

In order to accommodate you, we require a 24-hour notice for any changes or cancellations or a fee of 60% of the scheduled services will be charged.

Guest Fees

The Spa & Fitness Center requires a \$5 daily fee for member-guests. This fee provides for unlimited use of all facilities, excluding Spa treatments (i.e., facials, manicures, massages, etc.). The daily guest fee is not applicable if you have an appointment for Spa treatment or services.

Sauna, Steam Room, & Hot Tub Policy

When using the sauna, steam room, or hot tub please use caution. Heat can be dangerous to pregnant women and people with heart disease, high or low blood pressure, or diabetes. No person under the age of 16 is permitted to use
